E | Disclosures

General Information

- "I," "you," and "your" refer to the authorized Accountholder.
- Retain a copy of this document for your records.
- By submitting this request, you authorize Massachusetts Mutual Life Insurance Company (the "Company") to debit the designated account through Electronic Funds Transfer (EFT) to pay premiums on the identified policy(ies), subject to the terms and conditions below.
- Paying the annual premium in installments may result in additional costs. To obtain the total dollar amount and Annual Percentage Rate of the additional costs, visit www.MassMutual.com/calculators and access the "Modal Charge Disclosure and Annual Percentage rate (APR) Calculator", or contact us.
- The Company may refuse to establish an EFT for a policy in grace or lapse pending until sufficient premium is paid to bring the policy out of grace.
- The Company is not liable if your financial institution does not honor an EFT. Missed or late payments may cause the loss of certain policy guarantees or the lapse of coverage.
- Any premium refund will be returned via EFT direct deposit whenever possible.
- If your account has a debit block, contact Customer Care Center at 1-800-272-2216 for instructions.

Initial Premium

- Requires an email address for EFT notification.
- SGUL and SGVUL: Cannot pay initial premium by EFT.
- Temporary Life Insurance Receipt (TLIR), Temporary Individual Disability Insurance Agreement (TIDIA) or Conditional Receipt: A one-time EFT for initial premium occurs immediately when the Company receives this form in good order, and TLIR/TIDIA terms and conditions are met. Otherwise, the EFT occurs when all required paperwork is received in good order. Signing and submitting this form to draft the initial premium does not mean that insurance coverage is effective. Coverage begins only as stated in the application or TLIR/TIDIA, and the applicable terms and conditions have been met.

Recurring Premiums

- If a draft cannot occur on a scheduled draft day, the Company may draft more than one month's/quarter's premium (including past due premium) on the next scheduled draft day to bring the policy current.
- The Company will not send monthly/quarterly/annual bills while a policy is paid via EFT.
- Draft amount selection is only available for SGUL, SGVUL, VL, and UL policies.

Changing an Existing Recurring EFT

- The Company must receive notice of EFT changes at least 7 business days before the next draft date.
- Drafts may occur within 30 days of receiving authorization or a change request, unless the Accountholder directs otherwise.
- If the recurring draft amount changes due to a policy conversion, rider, automatic renewal, cost-of-living adjustment, or other policy change, the Company will be authorized to draft the new amount.

Draft Day & Frequency

- Draft day is the day funds are withdrawn from your account. If no date is chosen, the Company will select one.
- If the draft day falls on a weekend or holiday, the draft will occur on the next business day.

Product	Draft day options	Default draft day
Disability Income Life Long Term Care Strategic Group Universal Life (SGUL) Strategic Group Variable Universal Life (SGVUL)	1st - 28th	Policy anniversary date
Universal Life I	1st or 15th	15th
Variable Life I	5th or 20th	20th

Returns / Insufficient Funds

- Premium is considered paid only if the EFT is honored by your financial institution.
- If funds are insufficient on the scheduled draft day, the Company will attempt to draft again, typically within one to five days.
- If funds are still insufficient for the:

1. Initial Premium: the policy remains inactive until payment is received. If the draft amount under this authorization is insufficient to pay the full initial premium, the Company is authorized to draft an amount sufficient to put the coverage in force without advance notice. The new draft amount will not exceed more than the premium for two months/quarters (depending upon the product).
2. Recurring premiums: the Company will attempt to draft the missed and next due premium after the financial institution notifies the Company of the return or on the next scheduled draft day (excluding Haven Life Direct To Consumer (DTC) products on annual draft).

   For products on quarterly draft, the Company will draft the missed payment either the next month or next quarter. The Company will notify you of the new amount prior to the draft.

   For Haven Life Direct To Consumer (DTC) products on annual draft, the Company will not attempt to draft the missed premium. To update your EFT Service or make a payment, visit www.MassMutual.com/payment-options or contact the MassMutual Customer Care Center at 1-800-272-2216.

Termination

This authorization remains in effect until terminated by you or the Company.

Termination by Accountholder:

- The Accountholder may terminate this authorization by calling or writing the Company. Termination requests must be received 7 business days before the next draft date. Refer to the Contact Information section below.
- A request to terminate this authorization for a one-time initial premium EFT must be submitted immediately. It is possible that the Company may not be able to honor such a request if the EFT has already been processed.

Termination by Company:

- The Company may terminate an EFT service at any time for reasons including, but not limited to, repeated returns.
